

A festive THANK YOU to our customers and colleagues !

This year we celebrated our 50 year jubilee, a huge milestone for the company !

2019 has been an "eventful year" for many reasons and also with many opportunities.

In 2019 we have continued to invest in our people and capacity too.

We also enjoyed K-Show exhibition in Germany and met old and made new friends.

Tough situations bring the best out of tough people and at Arla Plast we want to solve problems.

We will raise our Arla Plast Standard (flag) again for 2020.

We look forward to supporting our valued customers and colleagues with our core values. We have a good team spirit and we will improve even more in 2020 and beyond !

With the good will in cold weather, with warm hearts to your family and loved ones
Happy Festivities to you all and a big thank you again !
God Bless !

Ayub Adam
Commercial Director
Arla Plast

Merry Christmas
and Happy New Year.
